I planted the seed, Apollos watered it,  
but God has been making it grow.

1 CORINTHIANS 3:6 (NIV)

God is amazing. He is the glorious, holy, majestic creator and sustainer of all things. Without Him we have nothing. With Him we have everything. God's love and forgiveness leads to joy and fulfilment. We find security and peace as we grow in our understanding of Him. Because of this, we, the Windsor Fellowship Church, seek to honour God more and desire to share His love and grace with those around us.

When we gather, we want to be a welcoming community for all people. "The gospel is a message of radical inclusion followed by the call to radical holiness."<sup>1</sup> We want all people to feel comfortable in our midst so they can explore the claims of the Lord Jesus Christ for themselves. We're seeking to help people come to know Jesus for themselves and allow God to transform their hearts and minds to be like Christ. This is exactly the same journey that each of us are on as followers of Jesus. That is why each Sunday we delve into the Bible and spend time in worship and prayer. We hope that our meetings will both challenge and encourage all who come.

We also seek to show the light of God's love to all people we encounter. These people fall into two general categories—those who are in our church family and those who are not. For those in our church family, we believe that God has given us the responsibility to care for one another and to encourage each other to grow in faith. God is our Father and we are brothers and sisters united in Christ. The Windsor Fellowship Church is an earthly expression of God's eternal family. The second group includes family, work colleagues, neighbours and friends. We hope they will glimpse the beauty of God through us as we seek to honour Him. Our desire is that as we faithfully honour God day by day, the people of Windsor will come to know Him through us.
